Sewer Surcharge for Non-Metered Water Service (per EQR per month)

1 st month	\$100.00
2 nd month	\$200.00
3 rd month	\$400.00
Each month after 3 rd month	\$500.00

Trash Removal Service (per month)

Non-Senior Rate	\$17.24
Senior Rate*	\$15.36

*To qualify for the senior rate, an owner must be 65 or older and occupy the residence.

** During November, December, January, February, and March, this charge is based on actual water usage, since minimal landscape irrigation takes place during these months. From April through October - when landscape irrigation usually takes place – a large portion of the water you use does not pass through the sewer system. Therefore, in those months, this charge is based on your average water usage from November through March.

***Based on actual water usage each month
