To whom it may concern:

My name is Joe Urnise and I would like to be considered for the open position on the Planning and Zoning Commission.

My wife Karen and I moved to New Castle from Seattle roughly two and a half years ago. During that time we both have seen what a great town New Castle is and can be in the future. Karen and I are both small business owners (she is a dentist and I am a structural engineer) and appreciate the opportunity that the Roaring Fork Valley has to offer. New Castle has been a part of our recreation, dining, and entertainment since our time here and I can only imagine the potential that this town has.

It is important to me to be a part of my community and I would like to be a part of the future of this town. If I cannot serve on the Planning and Zoning Commission, I would be interested in volunteering in any capacity.

Thank you for your consideration.

Regards,

Joseph Urnise
