

## Memorandum

**To:** Mayor and Council  
**From:** Tom Baker, Town Administrator  
**Date:** September 2, 2014  
**Re:** Discussion: Parking in Downtown

---

---

**Purpose:** The purpose of this item is to brainstorm a variety of downtown parking options. At this point several ideas are floating around. Greg Russi will update Council on the following ideas.

- Angle parking on north 3<sup>rd</sup> and north 5<sup>th</sup>.
- Property acquisition for parking adjacent to north alley.
- Work with CDOT to restripe Main Street to allow for angle parking on north side.
- Others opportunities?

Staff is seeking discussion and direction, which, if appropriate, we will develop and incorporate into a spring grant.
