Ms. Sondra Smith, Chair
Climate Action Advisory Commission
Town of New Castle
PO Box 90
New Castle, CO 81647

Dear Ms. Smith:

I am writing to volunteer my services should you need them on the Climate Action Advisory Commission. I note on the town website that the commission members have terms that don't expire until April 2014, but should a vacancy arise, please consider me.

I have spent over two decades learning about environmental policy, and believe that there are no challenges as great as dealing with climate change. I moved to New Castle in January 2011 after teaching at the University of Wisconsin-Green Bay for nearly 20 years. I taught courses in environmental policy and law and also in public administration for the Department of Public and Environmental Affairs.

I currently serve as a half-time clinical professor teaching on-line classes in environmental policy and management and public service for the School of Public Affairs at UC-Denver. I would be happy to send you a resume, should you want more information.

Thank you for considering my request. I would be honored to be a part of your efforts in the future.

Sincerely,

Denise Scheberle
