

TOWN OF NEW CASTLE
ATTN: Melody Harrison
PO BOX 90
NEW CASTLE, CO 81647

Dear Council Members:

I am interested in being a member of the New Castle Planning and Zoning Commission and ask that you consider me for one of the current open seats. Although I am new resident, my wife is a native of New Castle. Earlier this year we purchase a home on Mountain View Dr in New Castle and I am serious in my commitment to town of New Castle.

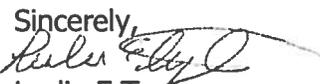

As an interested member of our community, I would like to volunteer my time, skills, and talents to assist in planning the future of our town. As a liability investigator for a National Insurance Company, I researched state, county and city codes during my investigations. These experiences have provided me the opportunity to better understand the challenges of managing growth, improving our infrastructure, and further developing our town.

What has piqued my interest in seeking appointment to the Planning and Zoning Commission is my deep desire to serve the town. It is my home and my recent experiences with insurance claims assisting people overcome their catastrophe and start their path on becoming whole again has cemented my resolve to be an active participant.

I respectfully request your support in being appointed to the New Castle Planning and Zoning Commission.

I would be happy to provide my resume or answer any questions you may have.

Thank you for your consideration.

Sincerely,

Leslie E Taylor
