

Memorandum

To: Mayor and Council
From: Police Department and Tom Baker
Date: December 2, 2014
Re: Community Policing: Request for Matching Funds

Purpose: The purpose of this item is to give Council an update on the Community Policing program "Shop with a Cop" and to request \$250.00 that the officers can use as matching funds for other donations.

Officer Carrie Buhlman will make a presentation, explain the program and answer questions.

Recommendation: It is terrific to see the Police Department identifying creative ways to engage different elements of the community. Staff supports this investment in our community. Please see Carrie's attached flyer.
