Re: Selecting a Date for Founders Day

Purpose: The purpose of this item is to select a date for Founders Day. By Proclamation Council has determined that a Saturday in February will be the day of celebration. Saturdays in February are 6, 13, 20 and 27. Founders Day is an opportunity for the community to come together, have a potluck, celebrate a New Castle family, and have representatives of that family regale us with stories of earlier days in New Castle.

Last year we celebrated the Jolley Family and dedicated the Jolley Trail.
