Re: POSTR Request for CTF Revenue for Disk Golf Signs

Purpose: The purpose of this item is to request Council authorize staff to expend up to \$913.00 for vinyl signs for the Disk golf course.

Background and Discussion: At the April 1, 2015 POSTR meeting, staff identified a need for new signs marking each of the 18 golf holes at Coal Ridge Park. Over time these signs need to be refreshed. Micro Soft Plastic can produce signs that are UV and weather resistant and are expected to last more than five years.

Financial Implications: Material costs will be \$913.00. Lyle identified CTF as the appropriate location for this expenditure.

Recommendation: Staff recommends approval.
