Representative Bob Rankin
Senator Randy Baumgardner
Colorado State Capitol
Denver, CO

Re: Support for Northwest Enterprise Zone Re-designation

To the Honorable Representative Bob Rankin and Senator Randy Baumgardner:

The Town of New Castle, located in Garfield County, overwhelmingly supports the re-designation of the Northwest Enterprise Zone. We respectfully request the Enterprise Zone Tax Credits and other related programs be retained as they are very important for economic diversity and development in our community. Our local businesses and non-profit organizations can certainly continue to benefit from these incentives.

The Town does its part by reducing or canceling all together certain fees to promote a business friendly atmosphere.

We very much appreciate the opportunity for the Town to continue to work with the Northwest Colorado Zone Administrator and, thus, look forward to earning the support of the Colorado State Legislature.

Sincerely,

Bob Gordon
Mayor of the Town of New Castle
