

**Memorandum**

**To: Mayor and Council**  
**From: Tom Baker, Jeff Simonson, John Wenzel**  
**Date: August 18, 2015**  
**Re: Lakota Warranty Work**

---

**All reports from the field are that the Warranty Work is being completed according to professional specifications. The majority of repairs have been made and the remaining repairs will be complete prior to our meeting. Work that remains is crack sealing and chip and seal. Jeff will give Council an update on these final elements at the meeting.**
