RE: Climate Action Advisory Commission

Dear Council Members:

I am writing to volunteer my services on the Climate Action Advisory Commission. I was previously appointed, but the Commission did not meet. I would like the opportunity to serve again, as I understand from Councilor Means that the Commission will begin meeting again.

I currently serve as a clinical professor teaching on-line classes in public administration, public service, and environmental management for the School of Public Affairs at UC-Denver. I would be happy to send you a resume, should you want more information.

Thank you for considering my request. I would be honored to be a part of your efforts in the future.

Sincerely,

Denise Scheberle
