

**Memorandum**

**To: Mayor and Council**  
**From: Tom Baker, Town Administrator**  
**Date: October 6, 2015**  
**Re: Annexation of CR 335**

---

**Purpose:** The purpose of this item is to ask Council for direction to begin the annexation process for CR 335. As you may recall, at the 2014 February joint meeting between the County Commissioners and the Town Council the town agreed to annex the roadway once the County repaired and improved the road. The County recently completed CR 335 improvements and staff requests Council direction to commence annexation of this road to the existing town boundaries.
