Items for Consideration

Consider Letter of Interest from Brandy Copeland for Seat on P&Z Clerk Harrison told the council that she and Administrator Baker advised the applicant that it was not necessary to attend the council meeting since she had very recently been interviewed by the council for another open seat. Councilor Metzger said Ms. Copeland had attended the last Planning & Zoning meeting. MOTION: Councilor Leland made a motion to appoint Brandy Copeland to a seat on the Planning & Zoning Commission. Councilor Russi seconded the motion and it passed unanimously.

Consider Ordinance TC-2016-7 - An Ordinance of the New Castle Town Council Amending Chapter 10.20 of the New Castle Municipal Code Regarding Abandoned Vehicles (second reading) Councilor Russi asked if the model traffic code required that officers make a **'finding' that a vehicle met the requirements of 'abandoned' as listed in the** municipal code, or if a citizen could call and complain to begin the process. Police Chief Tony Pagni explained that abandoned vehicle issues were addressed by citizen complaint, or an officer would initiate the action. In either case, vehicles must be observed to have not moved in 72 hours, or to be unregistered or inoperable. He said that the issue with the existing code required an order by the judge to remove the abandoned vehicle, and the ordinance was to create a more efficient process for the police. MOTION: Councilor Leland made a motion to approve ordinance TC-2016-7, An Ordinance of the New Castle Town Council Amending Chapter 10.20 of the New Castle Municipal Code Regarding Abandoned Vehicles on second reading. Councilor Owens seconded the motion and it passed on a roll-call vote: Councilor Leland: yes; Councilor Hazelton: yes; Councilor Metzger: yes; Councilor Russi: yes; Councilor Owens: yes; Mayor A Riddile: yes; Councilor G Riddile: yes.

Consider Amendment to Waste & Recycling Contract with Mountain Waste Administrator Baker explained that the pumping of the town-owned vault toilets had not been part of the contract negotiated earlier in the year and that the amendment was to add that service. Doug Goldsmith with Mountain Waste told the council that the pumping would cost no more than \$400 per vault, per year id done once per year. Finance Assistant Debbie Guccini said there were four vault toilets that needed to be pumped, and the request was for them to be pumped once in the spring and once in the fall. The total cost per year would be \$3,200.00. The council asked why it cost so much, and Mr. Goldsmith said it was expensive to take the waste **materials to the landfill. The council discussed whether the town's** wastewater treatment plant could be utilized for disposal, and Mr. Goldsmith said they would be glad to deliver the waste anywhere the town wanted. Mike Hinkley with Mountain Waste told the council that the trucks used to pump the vault toilets were used to pump other facilities and the trucks could contain some residual chemicals the could be problematic for the wastewater plant. He agreed to send some MSDS sheets that the utilities department could review. The council agreed to table the item until further research could be done regarding disposal.

1 MOTION: Councilor Leland made a motion to table the contract amendment
2 until the next council meeting. Mayor A Riddile seconded the motion and it
3 passed unanimously.

4 5 Downtown Group Report

6 Ms. Sue Ruggles greeted the council. She told them that she was requesting that
7 the council allow a sculpture be placed in Ritter Plaza. The piece was a sphere
8 created by an artist in Carbondale. The piece would be changed every year, and if
9 the sculpture sold, the town would receive 20 percent of the proceeds. Ms. Ruggles
10 felt that the art would bring energy to Ritter Plaza, and would complement Liberty
11 Park. She said she had a copy of the proposed contract so the town attorney could
12 review it. The artist, Joe Burleigh, would deliver and place the sphere for \$200.00.

13 **A 30' x30' concrete pad would need to be poured in** Ritter Plaza for the statue to be
14 set on. The council asked if there was funds available and Administrator Baker said
15 there was. Ms. Ruggles offered that the council could choose pieces in the future.
16 The council felt that the Downtown Group might be ones to select the art in the
17 future.

18 MOTION: Councilor Russi made a motion to approve a \$200 appropriation
19 for delivery and installation fee for the Street Sculpture Project. Councilor
20 G Riddile seconded the motion.

21 Discussion: Councilor Owens asked if the set-up and delivery fee would be the
22 same every time a new sculpture was installed. Ms. Ruggles said the fee would be
23 different for each piece.

24 The motion passed unanimously.

25
26 Jerry Touslee, Downtown Group member. Mr. Touslee greeted the council. He
27 described the Museum on the Street project, and the collaborative team that put
28 together the information for Museum on the Street.

29 Mr. Touslee showed the council a power point presentation in which the council
30 could see the photographs and text for each of the ten signs.
31 He described the map & guide sign and asked the council to consider a location for
32 it. After a brief discussion, the council thought that the sign could be placed in
33 Ritter Plaza, along with the art piece.

34 35 Request from Jay Harrington for Letter to County

36 Administrator Baker told the council that the county was considering shifting the
37 remaining 1.5 road and bridge mil levy to the general fund. This will have an impact
38 on the towns in Garfield County in terms of streets maintenance. The Town
39 Manager for Carbondale, Jay Harrington, sent the letter asking each of the town
40 councils to consider signing it. He said he was uncertain how he felt about it.

41 The county taking the entire mil levy would mean the town would lose an additional
42 \$35k from the streets maintenance budget.

43 Administrator Baker said he felt it was awkward to complain at the county when
44 they had done many things for the town that were discretionary on their part. The
45 county felt they now needed to have the mil levy for their budget. Once the funds
46 went to the general fund, it was not required to be distributed.

47 Councilor Leland said that he felt that if the letter was sent to the county, all the
48 municipalities should either sign the letter or not sign the letter. They should
49 present a unified opinion because it would be more effective.

1 The council discussed the condition of the town's streets, the streets budgets and
2 upcoming needs. They agreed to wait to make a decision about signing the letter
3 until they knew the position of the other towns.
4

5
6 **Mueller Construction Contract**

7 Town Attorney David McConaughy asked the council to ratify the Mueller
8 Construction Contract and to authorize the Mayor to add a sentence stating the
9 town represents that the full amount of the contract had been budgeted and
10 appropriated.

11 MOTION: Mayor A Riddile made a motion to approve the Mueller
12 Construction Contract and to authorize the Mayor to add a sentence stating
13 that the Town represented that the full amount of the contract had been
14 budgeted and appropriated. Councilor Russi seconded the motion and it
15 passed unanimously.
16

17
18
19 Councilor Leland made a motion at 8:14 p.m. to go into Executive Session
20 (1) for the purpose of determining positions relative to matters that may
21 be subject to negotiations, developing strategy for negotiations, and/or
22 instructing negotiators under C.R.S. Section 24-6-402(4)(e); and (2) to
23 discuss the purchase, acquisition, lease, transfer, or sale of real, personal
24 or other property interest under C.R.S. Section 24-6-402(4)(a) concerning
25 town-owned property. Councilor Owens seconded the motion and it passed
26 unanimously
27

28 Executive session concluded.
29

30 At the end of the executive session, Mayor A Riddile made the following statement:
31

32 "The time is now 8:47 p.m. and the executive session has been concluded. The
33 participants in the executive session were: Councilors Metzger, Owens and Hazelton;
34 Mayor A Riddile; Councilors Russi, Leland and G Riddile; Town Administrator Baker,
35 Town Clerk Harrison and Town Attorney McConaughy. For the record, if any person
36 who participated in the executive session believes that any substantial discussion of
37 any matters not included in the motion to go into the executive session occurred
38 during the executive session, or that any improper action occurred during the
39 executive session in violation of the Open Meetings Law, I would ask that you state
40 your concerns for the record."
41

42 No concerns were stated.
43

44 MOTION: Councilor Russi made a motion that the council approve a
45 committee of two council members: councilor Owens and Councilor
46 Metzger; to work with Attorney McConaughy and Administrator Baker to
47 move forward with a proposal from One Speed LLC. Councilor Leland
48 seconded the motion.

1 Discussion: Councilor Hazelton asked if the committee was for the one proposal and
2 nothing else. Councilor Leland said a new committee would be formed if there were
3 additional proposal.
4 The motion passed unanimously.
5 Administrator Baker said he would contact One Speed LLC and set up some
6 meetings.

7

9 ~~Executive Session (1) for a conference with the Town Attorney for the~~

11 ~~Section 24-6-402(4)(b) concerning town-owned property (8:20 p.m.)~~
12 Removed from agenda.

13
14

15 Discussion: Property Clean-Up
16 Administrator Baker said he had spoken with Planner Cain and Chief Pagni about
17 the issues with junk collecting at the building and property owned by Rosie Ferrin.
18 He explained that the staff wished to be deliberate and careful the process of
19 getting the property cleaned up. He told the council that a certified letter will be
20 sent, and once the return receipt was received back, the thirty day compliance
21 period will begin. Chief Pagni warned that people often do not pick up certified
22 letters, so the notice would have to be served. If Ms. Ferrin made a good effort to
23 clean up, the thirty days could be extended. If she choose not to comply, it would
24 go to court. Ms. Ferrin could plead innocence, and it could go to either a jury or a
25 bench trail. The court remedies were fines, jail or an injunction saying to fix it, or
26 all three. The town remedies were for the town to clean the property up and then
27 lien the property. Administrator Baker said he would call Ms. Ferrin to let her know
28 that the compliance letter would be coming to her. Councilor Russi said it may be a
29 good idea to have the notice of compliance prepared before he made the call so she
30 understood the seriousness of the situation. He also felt the notice should be very
31 detailed. Attorney McConaughy said he felt it was better to give the property owner
32 the owner the opportunity to comply rather than the town taking on the
33 responsibility for the clean-up.
34 Administrator Baker said he would keep the council posted on the progress of the
35 situation.

36

43 MOTION: Councilor Russi made a motion to approve the consent agenda.
44 Councilor Hazelton seconded the motion and it passed unanimously.

46

47 Staff Reports
48 Town Administrator – Administrator Baker told the council about a recent situation
49 **in Silt where a water main break flooded a resident’s home, and Silt’s insurer cited**
50 governmental immunity and would not pay for the damages. The situation brought

1 in to question what New Castle would do in a similar situation. Several years
2 earlier, there had been a sewer main back up where damage was done to several
3 homes on Rodreick Lane, and the **town's insurance carrier, CIRSA, denied the**
4 **claims under governmental immunity.** In response, the council adopted a Good
5 Neighbor Policy that would pay an owner for damages. CIRSA helped with that,
6 and acted as an intermediary, and they hired an appraiser to document the
7 damages. The council discussed the situation briefly, and Administrator Baker said
8 any time there was the potential for the policy to be utilized, it would come to the
9 council for consideration.

10 Administrator Baker told the council that the Fall Clean-Up would be October 14 and
11 15 at the public works facility.

12 Administrator Baker told the council that the LiveWell Retreat will be October 12
13 and 13, so he would not be able to attend the Xcel Partnership meeting.

14 Town Clerk – Clerk Harrison said that at the prior council meeting Kim Rider had
15 taken photographs of the council, and they did not turn out as well as she had
16 hoped, and she felt the photos should be taken again. Councilor Metzger asked that
17 everyone wear a nice, long-sleeved shirt. Clerk Harrison said she would send the
18 photos to the council members and they could decide whether they liked them or
19 not. Clerk Harrison said that at the beginning of every year, the council readopted
20 the town fee schedule as a matter of housekeeping. She said she would be talking
21 with every department to make certain that the fees listed in the schedule were still
22 appropriate. Clerk Harrison said that she had received the sample ballots from the
23 county, and they were available in her office for those who wanted to look at them.
24 She told the council that Administrative Assistant Darlene Harrison would be
25 attending the Caselle Conference the following week in Las Vegas, and her
26 department had been working on the budget.

27 Town Planner – not present
28 Public Works Director – not present
29

30 Commission Reports

31 Planning & Zoning Commission – Councilor Metzger said that the comprehensive
32 plan discussion was not as productive as she thought it could have been. The next
33 meeting would be on October 12.

34 Historic Preservation Commission – nothing to report.

35 Climate Action Advisory Committee – Mayor A Riddile told the council that Dave
36 Schroeder had resigned from CAAC.

37 Senior Program – Councilor Metzger said the meeting had been interesting because
38 there was some confusion about who was paying for food and transportation. New
39 Castle was a member of RFTA which paid for the Traveler, and the fees the town
40 paid to senior programs paid for the nutrition program.

41 RFTA – Mayor A Riddile said there was a RFTA meeting on October 13 that he could
42 not attend. Councilor Russi said he could go to that meeting.

43 AGNC – Councilor Hazelton said he would attend the AGNC meetings.

44 GCE – Councilor Leland said that GCE would receive a visit from OEDIT, but did not
45 expect much from it.

46

47 Council Comments
48

1 Councilor Leland told the council that Larry Dragon had announced that Jeanne
2 Gallea would be his replacement on the LoVa Trail Group, and he thought she would
3 be quite good.
4 Councilor Hazelton felt the trail on the North side of Burning Mountain needed some
5 attention because there was a lot of trash and animal waste on it. He asked if a dog
6 waste station and garbage can could be placed.
7 Councilor Owens thought the graffiti under the train bridge should be cleaned up.
8 Councilor Owens said the conference he had attended in Cherry Hills was great
9 because Peyton Manning had made a special appearance.
10 Councilor Metzger said that there were not many vehicles parked in the Park and
11 ride parking lot.
12 Councilor Metzger said she thought that Councilor Owens would benefit from being
13 placed in the rotation for Planning & Zoning Commission. Councilor Owens said he
14 would look at his schedule and see what rotation worked best.
15 Councilor Metzger asked if there was any way the La Roca property could be
16 cleaned up. Mayor A Riddile said someone could call them to find out what they
17 planned to do with the property.
18 Councilor Metzger asked what was happening with duplexes at east end of town.
19 Administrator Baker said there was work being done a few weeks ago, and the work
20 has to lapse for six months before the permit was void.
21 Councilor Metzger asked what family would be honored for Founders Day, and
22 Councilor Leland said it was the Ganley family. The family who owned the first
23 house as you come into town from the east. Mrs. Ganley was the first bride of New
24 Castle. He said he had quite a bit of information from Virginia Erickson.
25 Councilor Metzger said she was still working with Steve Craven, and she had put
26 him and Kathy Story from Hilltop in contact with one another. She also said that
27 Mr. Craven had met with a builder.
28 Mayor A Riddile **had attended the Mayor's Summit in Denver and it was a fabulous.**
29 Mayor A Riddile asked if everyone had received the e-mail from the Clerk about
30 CoPRIG, and asked if anyone could attend the press conference.
31 Mayor A Riddile said he heard that Greg McInnis was wondering about a survey
32 through his property. Councilor Russi said he would contact Mr. McInnis because he
33 believed it was about the LoVa Trail.

34
35 MOTION: Councilor A Riddile made a motion to adjourn. Councilor Metzger
36 seconded the motion and it passed unanimously.

Items for Consideration

2017 Budget Proposal

Mayor Pro Tem Leland said that there was only one item for consideration and that was the presentation of the proposed 2018 budget.

Finance Director Lyle Layton passed out the budget packets to the council.

Mayor Pro Tem Leland announced that the budget had been presented and reminded the council that there was a budget workshop on October 18. He explained that salaries were split amongst different departments so it may not be obvious what those numbers are.

1 Director Layton asked the council to e-mail him questions about the budget before
2 the workshop on the 18th. He also told the council that there was information from
3 **the retreat at the end of the packet, and there was also a summary of the town's**
4 loans.

5 Councilor Russi asked if the town was still putting money away for the purchase of
6 the solar array. Director Layton said there was \$52k in the fund and he did not
7 know if anything would be added.

8 Councilor Russi asked if there were balances on the loans. Director Layton said
9 there were balances, and he would gladly get that information for the council.

10 Councilor G Riddile said that it appeared that rate increases were budgeted, as well
11 as funding for trails. He asked if there was a snapshot of those additional items.

12 Director Layton said he would get that information for the council.

13 Mayor Pro Tem Leland said he would be asking Director Layton to go through
14 changes, where there were new items or where changes were made. Councilor G
15 Riddile said he would like the information before the workshop. Director Layton said
16 he would get the information to the council.

17
18 MOTION: Councilor Russi made a motion to adjourn. Mayor Pro Tem Leland
