Dear Ms. Harrison,

I am writing to express my interest in serving on the New Castle Planning & Zoning Commission and believe I meet all the requirements.

I have lived in New Castle for 4 years and enjoy the abundant outdoor opportunities available in the area, as well as the many amenities provided by the Town of New Castle. I believe New Castle is a stable, fun, and dynamic community which provides a multitude of opportunities for its citizens. In my time as a resident, I have witnessed stable economic growth and responsible development in New Castle. I am encouraged by the recent development of an expanded trail system, road improvement projects, and the recent completion of several projects to enhance and beautify downtown businesses and public spaces, as well as the roundabouts and public streets and parks. I am convinced that the Town of New Castle respects and prioritizes the values and ideas that are most important to its community members.

My unique perspective as a mother and committed citizen will be a valuable asset to the P&Z. I am representative of a significant demographic in New Castle, bringing the perspective of youth, sustainable growth and development, and strong family values.

I care deeply about my community and feel a sense of responsibility to give back. I will work diligently to enable New Castle to continue to grow, while preserving the essential qualities that make this such an amazing place to live and raise a family. I appreciate your consideration of my interest to become a public servant in the capacity of a Planning & Zoning member. Please do not hesitate to contact me at 970-319-0981 if you have further questions or comments. I look forward to hearing from you.
