Re: Update: Governor's 16 X 2016 Plan

Purpose: The purpose of this item is to give Council an update on what the Town needs to do to capitalize on the Governor's 16 X 2016 trail plan.

Background and Discussion: At Council's February 16th meeting Councilor Riddile asked what the Town needs to do in order to take advantage of the \$30M in funding that the Governor provided for his 16 X 2016 trail plan.

As Council is aware, Greg Russi, as a representative of the town, submitted a State Parks and Trails grant for planning a section of the LoVA trail from New Castle to South Canyon. State Parks and Trails is expected to announce grant awards in March, 2016.

Larry Dragon and Greg Russi will attend tonight's Council meeting and explain the process for accessing funding for the Governor's 16 X 2016 funding.
