Subject: Letter of Interest for New Castle Town Council Vacancy

Dear New Castle Town Council Members & Melody Harrison,

I am hereby submitting my letter of interest to the New Castle Town Council to fill the current vacancy on the town council. I have had a long-time interest in developing businesses as well as providing the best in cultural and social amenities for New Castle residents.

Here is a brief list of my background and experience that I would bring to the New Castle Town Council:

Education: Masters of Education; Teaching & Coaching Athletics

Experience: Retail Business & Sales Management; Public Relations; Collaborating with business and government leaders at national and international levels; Government Administration; Research and Development in the Renewable Energy and Environmental Field; Industrial Development in Renewable Energy; Government Administration;

Recent Accomplishments: Co-Founder of the Middle Colorado River Watershed Partnership; Former President of the Grand Valley Citizens Alliance; Former Advisor to the Western Colorado Congress; Author of the book: *IF I WERE PRESIDENT/Saving Main Street America*

I currently work as a freelance writer, newspaper columnist, and author. I also continue to work on renewable energy research and improving environmental policy at all levels of government.

I believe strongly in the civic engagement and the social capital of the New Castle community. I will represent the best interests of the New Castle community as a whole in the most professional manner. I pledge to work closely with the other members of the town council, community leaders, and residents on improving the quality of life for the New Castle community.

I would sincerely appreciate the opportunity to represent the residents of New Castle on the town council. Thank you very much.

Best Regards,
Randy Fricke
