Subject: council vacancy

Melody Harrison,

I would like to express my interest in the vacant council position. As you know I am a homeowner representative on the Castle Valley Ranch Homeowners Association board. I also am currently a P&Z commissioner for New Castle.

Those two positions have given me a conduit to issues New Castle faces. The recent change in New Castles downtown business-scape indicates, in my opinion, that there is a perplexing issue facing the downtown revitalization.

I believe I can offer some new ideas and perspective while helping maintain the continuity of council. There are several ongoing projects throughout town that I have involvement in, or basic knowledge of.

Thank you

Brad Gates
