Please provide a copy of the State of Colorado Master Electrician or Plumbing License.

All licensees must carry Public Liability and Property Damage Insurance and Worker's Compensation Insurance at all times.

Before a license shall be issued, the applicant for the license shall pay the license fee and shall satisfy the Town of New Castle as to his qualifications. He shall also submit a certificate of insurance to the Town Clerk providing evidence of liability and workmen's compensation insurance in such amounts and subject to such restrictions as the Town may prescribe.

The Town shall devise classifications based upon the licensing category and nature of the work involved, and shall apply the same requirements uniformly to all contractors of that classification.

A contractor is responsible for any type of construction he may contract to build in the Town of New Castle. Right of Way and/or Building permits must be obtained before commencement of any work.

A Right of Way Permit from the Town of New Castle must be obtained for all work or storage of materials within public rights of way.

All construction within the Town of New Castle must be in accordance with the latest revision of the "Town of New Castle Public Works Manual", and/or "The 2003 IBC/IRC".

Plumbing and Electrical work may be subcontractors and are required to obtain a Town of New Castle Electrical or Plumbing Contractor Registration at no cost.

I certify that the above information is true to the best of my knowledge. I agree to comply with the rules and regulations contained in this application and any/all applicable documents. I understand that failure to do so may result in the suspension of this license.

I understand that no license will be issued until proof of liability and workers compensation insurance is provided.
