

Melody Harrison
Town Clerk
New Castle, Colorado

Dear Melody:

I am applying for one of the openings on the New Castle Climate Action Advisory Commission. I am familiar with the issues globally and locally. I have experience in education which may be beneficial to the community relating to awareness and understanding of climate change. I also have extensive experience in working with and moderating the exuberance of my sometimes over-passionate husband. We have discussed various aspects of the commission including it's mission, functions and constraints. I understand and will follow the guidelines of the Council.

I believe I will be of value to the Town in working toward cost effective actions to reduce greenhouse gas emissions so as to preserve a more livable world for our grandchildren.

Sincerely,
