Melody Harrison, Town Clerk
Town of New Castle
PO Box 90
New Castle, CO 81647

Dear Melody,

Please accept this letter of application for the open town council position. I have lived in New Castle since 2011, and appreciate all that the town and the nearby area has to offer. Through serving on the council, I hope to be a part of making the community an even better place to live.

My work experience includes 25 years of teaching public administration, environmental policy, and political science at two universities: the University of Wisconsin-Green Bay and the University of Colorado-Denver. I currently teach on-line students in the MPA program at UC-Denver as a half-time clinical teaching professor, a position I have held since 2012. While I have no direct service on a city or town council, or as an elected official, I have served as a department chair, a commissioner for the Green Bay Metropolitan Sewerage District, and as an administrator in various capacities. I currently serve on the Climate Action Advisory Commission for the town, having been reappointed last year. I've attached my vitae in case reviewers would like to explore my background in greater detail.

I look forward to the opportunity to answer questions that you or the council may have about my application and my interests. I can be reached at 970-456-5772 or by return email.

Thank you for your assistance and consideration of my application.

Sincerely,

Denise Scheberle
