WHEREAS, the parties to this IGA are authorized by Section 29-1-201, *et seq.*, C.R.S., as amended, to provide for joint funding and cooperation to provide services and functions which each is otherwise lawfully authorized to provide; and

WHEREAS, the parties to this IGA desire to cooperate in funding and making available a County-wide mosquito control and education program; and

WHEREAS, a coordinated effort by the County and the municipalities within the County will permit a more effective mosquito control and education program and specifically will aid control of the mosquito species responsible for the spread of West Nile Virus.

NOW, THEREFORE, in mutual consideration of the premises and the covenants and promises set forth below, the parties to this IGA agree as follows:

1. **PROJECT.** The Project that is the subject of this IGA is a comprehensive integrated larval and adult mosquito control program, on public and private property throughout Garfield County that will be designed specifically for Garfield County and the municipalities by an independent contractor. The Project will provide surveillance, identifying mosquito breeding habitats and areas with high numbers of mosquito larvae and adults, with an emphasis on Culex mosquitoes. Surveillance will include the use of GIS mapping technology. The Project will include the use of chemical pesticides for adult and larval mosquito control in a manner safe to citizens, the environment and pets. Chemical applications will only be done when the elected officials of each pertinent jurisdiction, or their designated staff member, determine that mosquito levels have reached a threshold that poses a public health risk. Each jurisdiction is responsible for working with the Contractor to

insure that their jurisdiction is in compliance with the Federal Clean Water Act and the Colorado Discharge Permit System as administered by the Colorado Department of Public Health and Environment. The independent contractor will also provide community outreach and public education.

2. PROJECT COSTS. The cost for the entire Project that is the subject of this IGA shall not exceed One Hundred Sixty-Three Thousand Five Hundred Sixty-Three Dollars and Fifty-Four Cents (\$163,563.54), with each town and city contributing the amounts set forth below for a total contribution of Forty-Seven Thousand Three Hundred Ninety-Five Dollars (\$47,395.00) of the Project Cost. The remainder will be contributed by the County for the thirty-four (34) square miles of service area outside of the municipalities.

3. COUNTY RESPONSIBILITIES. The County shall be the coordinating entity and the contracting and fiscal authority for the Project. The County's responsibilities shall include the creation of the Request For Proposals ("RFP"), management of the RFP process, selection of the contractor and management of the contract. The County shall also continue its leadership role in the functioning of the informal West Nile Working Group. The County shall pay an amount not to exceed One Hundred Sixteen Thousand One Hundred Sixty-Eight Dollars and Fifty-Four Cents (\$116,168.54) of the total Project Cost of One Hundred Sixty-Three Thousand Five Hundred Sixty-Three Dollars and Fifty-Four Cents (\$163,563.54), unless emergency services are required.

4. GLENWOOD SPRINGS RESPONSIBILITIES. Glenwood Springs shall be responsible for payment to the County of \$4,920.00.

12. CONTRACT AWARD. The contract anticipated to define the Scope of Work needed for the Project shall be awarded by Garfield County pursuant to the terms of its Procurement Manual. The Notice to Proceed may be awarded prior to the payment obligations of the municipalities and towns being met.

13. INDEMNIFICATION. The parties acknowledge each is subject to the constitutional prohibitions against indemnification in Colo. Const. art XI, § 1. Neither can indemnify the other.

Nothing herein shall be interpreted as a waiver of governmental immunity to which each party would otherwise be entitled under Section 24-10-101, et seq., C.R.S., as amended.

14. APPROPRIATION. This IGA is contingent upon appropriation and budgeting for the costs required for the Project. Should any party fail to appropriate or have available sufficient funds to pay for the costs of its obligations set forth herein, this IGA shall be considered of no force or effect, except to the extent that the County has assumed the obligations of another party, as set forth herein. This IGA is not intended to, nor does it create a multi-year fiscal obligation as defined by Section 20, Article X of the Constitution of the State of Colorado.

15. EFFECTIVE DATE. This IGA shall be effective January 1, 2016 through December 31, 2016, no matter the date of execution.

Memorandum

To: Mayor and Council
From: Tom Baker, Town Administrator

Re: Support letter for LoVa Trail Planning Grant (to CDOT)

At the last meeting Council passed Resolution No. TC-2016-10 “....Supporting the application for a Transportation Alternatives Program (TAP) Grant from the Colorado Department of Transportation (CDOT) for Trails Planning and Design”. While this support letter request is somewhat redundant to the above resolution, Greg Russi wants to impress upon CDOT that the New Castle Town Council is very supportive and has created a significant partnership of regional entities. Additionally, Greg is meeting with the Commissioners, Glenwood Spring City Council, RFTA and LiveWell to secure grant match funds. While we feel that we are getting positive signals from all of these entities we do not yet have formal decisions. Therefore, we may need to bring this letter to the Council at the meeting for review.
