

Dave,

Thanks for meeting with me last night to discuss the vacant position on the town Planning and Zoning Commission.

As usual I enjoyed the time spent discussing the town's current challenges and future plans. I believe I can help the commission stay on track with the New Castle's comprehensive plan and I'm very interested in becoming a member of the planning and zoning commission.

Currently as the president of Lakota Canyon HOA I have a vested interest in the future of New Castle and am committed to making New Castle a great family community.

I look forward to hearing from you soon.

Respectfully,

*Mark McDonald*
